Comments about the web site: Hi Light Fighters! I'm surprised that more "aviation types" haven't logged on here! Ft. Ord was my first duty station from SEP '84 thru SEP '88. I was a Huey mechanic in B TRP, 2/10 ACS (Buffalo Soldiers), and moved to 7th CAB, which became the 206th AHC, and later D Co 3/123rd (I think). Lots of fond memories of old friends and good times at Ord, and on the Monterey Bay. Still in the Army, and guess I made it further than some might have thought I would! If you recognize my name, drop me a line...I've stayed in touch with a LOT of people I knew from the Planet...you might be surprised at what they're up to! Best Wishes! "We Bad!" "Air Cav, Sir!" "Above the Bayonet!"

Comments about the web site: I was attached to the army hospital at Fort Ord between May 1968-Aug.1969. I was a patient in ward C-15, and have a lot of great memories to share with anyone who was there during that time. People I remember most of all, are Sgt. Munar, Maj. Golden, and of course, the greatest Orthopedic doctor that ever lived, Dr Charles Renshaw. I also remember fellow patients of mine, Phil Macias, and Jim Willkins. Although it's been 30 years ago, I often think about the fellow brothers who served with me in Viet Nam, and wonder what became of them. I want to give a special thank you to all the doctors and nurses who took very good care of me while I was in the hospitals at Chu Chi, 249th general hospital at Camp Drake, Japan, and of course, the medical staff at Fort Ord. If there is anyone, or knows of anyone who was at the hospital at Fort Ord during the time I was there, please e-mail me. I would love to hear from you.....

Comments about the web site: I did a tour at FT. ORD from 89-92. I was with B CO 707th MSB as a 63W. I never thought I woud miss that place but as one gets older they remember the good times and the bad ones, but FT. ORD brings back nothing but good times and memories that will stay with me forever. There is so much I could say about the base and the times that I had I could write for days with no end. I am getting remarried and want to take my new wife and my seven year old son out to visit the place that holds so many memories for me. The entire west coast was awesomeand can't wait to get back there to spark up some very fond memories.So if anyone sees this and was from B CO 707th MSB please email me so we can write and maybe talk about some old times that we might have shared in the past.I was a SPEC E4 with that unit and drove wrecker for the three years I was there. So please if you see this give me a buzz and lets talk.

Comments about the web site: I was drafted into the Army in Nov 1966. Went through basic trng with C-3-1 on "The Hill." Graduated in Feb 1967. I remember all the precautions we took against Spinal Menenigitis.Luckily,no one contracted the deadly disease.What a rainy, cold dreary place it was during the winter of '66-67! Our 1st Platoon (C-3-1) was all draftees from the Hollywood and Long Beach,CA Draft Boards.A good bunch of guys.I'vealways wonder how many of them were killed in 'Nam. None I hope. I came back to Ord in Summer of 1967. Served as an Military Policeman with 298th M.P.Co. Spent many a boring hour as a gate guard next tothe Reception Stationand at East Garrison Gate, way out in the boonies. Left Ford Ord in Fall of 1967 and finished my 2 year stint as an MP in Heidelberg, Germany. My timeinthe Army did me alot of good. I was fortunate I was not an "11 Bravo" serving in Nam. That draft dodger SOB we have as a Commander-in-Chief make me want to Puke! May the Boys of Fort Ord, especially Thomas R Watts, who were killedin Viet Nam rest in peaceand never be forgotten. I took the 571st MP company to the last combat mission for any unit on fort ord and that was Operation Restore Hope, Somalia. The 571st earned several awards during that combat mission.I was also stationed as the Provost Sergeant at Fort Hunter Liggett until it went away to the Federal Police. Fort Ord was one of the best assignment I ever had, "Lightfighter" " I was also the Boy Scout Scoutmaster for Troop 135 and at liggett we started at troop it was Troop 350, its still going strong, tobad 135 went away.

Comments about the web site: I am sooo happy to see this page. I spent a great deal of my life there. I wasn't born there, but I might as well have been. I've never forgotten it, and was really sad when I heard it was closed down. I am now trying to see if I can get into the college there. People who would remember me would be know me from 86- 89. I went to the school there Thomas Hayes elementary. I truly miss it, and would like to know if there was anyone beside me that remembers that school. It would also be a real kicker if anyone remember my father SGT. Trevizo. I am bad on info so I don't remember what company he was in, but if you remember him please contact me and I will make it possible for you to reach him. Thanks to whom ever did this site, it brings back so many memories. -A. Trevizo P.S. I then got sent over to 3/123 Avn Regt. I sure miss the guys I got to work with. Don Bowers, Dave Spurlin (SBGS). Ken Swarz, Jim Wetjen, Huey Poppell, Mark Scanlin, Jay, Rolly, SSG Paz and my hard ass TI SFC Michael Fitzpatrick who proved that a phase don't take a month to do. I was fortunate to meet and marry my wife Laura Fradl who was in HSC 7th S&T POL section. I will never forget the helicopter crash that killed Capt. Scotten. That was a very sad day on Fritze Army Air Field. Anyone remebering these times drop a line to kc8bze@arrrl.net . Long Live The Planet!

Comments about the web site: MARCH 12, 1969, like one fellow stated earlier, spent about a week getting acquainted with my fellow brethern, then ho up the hill it were. when we hit splinter village folks was killing themselves to get off of them cattle trucks just to appease them very excitable folks who must have invented profanity. rainy, cold, and the rifle ranges were worse. got a break though, went to clerk ait. didn't do me any good still wound putting those basic infantry skills to work. however, have fond memories of the planet before the kicked me across the pond.
