My Father (Thomas B. Rogers) was a DI at Ft. Ord from 1972-75. I attended Hayes Elem. School. Few memories of Ft. Ord left but they are fond ones. Would enjoy hearing from anyone that happen to have my father as their DI/ or worked with him, or went to Hayes Elem. School at the same time I did. I'm at rogers2@mchsi.com

My great Uncle Erenest "JAKE" Spears was stationed @ Ft.Ord and retired out it on Oct. 31, 1973. He passed away Tues. Feb. 3, 2004. We'd made plans for him to give me dates, places, people, duties etc...

on Jan. 22, 2004 when he was in Oklahoma. Due to some unforeseen circumstances we couldn't talk about any of it... So, I'm looking for his step-daughter JERRI she as well was to of worked @ Ft. Ord for an Officer in an office on the base (his older brother tells me). I don't know JERRI's last name...her mother was Ella May Spears (is all I know). Can ANYONE HELP ME FIND JERRI??? ***She is to be in the Monterey area still. Thank you for your time. Carol

A friend and I went to basic training June 1990. Alfa Co., 1st Platoon. Drill Sergeants Kuykendal(sp), Obispo, Strickland, Claunch, Singh, & a few others. What an experience to receive two fresh and salivating drill sergeants every two weeks. Three companies of new recruits were residing in the old WWII barracks during MATC 1990. Was there any BCT conducted after our cycle? It would be great to hear from anyone, especially from A-1, that had the pleasure of visiting Ord during the cool summer of 1990. What a great site! I have visited twice since 1990 and it is sad to see such a place deteriorate and lose its true history.

I think this site is great. I only wish that it covered the history or the "52nd avn. trans. battalion", later known as the Ft. Ord Army Aviation Command". It had the "17th Avn. Co., "Troop G of the 17th Air Cav." and the "52nd Avn. Operating Det." The years are from 1962 thru 1964. They were attached to Ft. Ord and not considered permanent party. Anyone who was there, please email me. Gerald Cochran Sp5 E5 Personnel mgt Spec.

Hello, I am a student at UCSC doing a research project on Fort Ord and in the process of gathering information. I recently visited the base and was absolutely astonished at its current condition and all the changes that are underway. I was trying to imagine the activity and lives of people who used to be stationed and live on the base. If anyone has any stories that they would like to share or would like to voice feelings or opinion about the reuse project please contact me on the above e-mail. Thank you very much and any help is greatly appreciated.

Just wanted to add my name because my last name is Ord. I dont know if it has any ties to my family but I am glad you have come up with this web sight so as i can see what the base was like and the history of it. I and my family are originally from the east coast and most are still there. I however ended up out here in Santa Barbara County in CA when i was in the Air Force. Thanks again
