I was stationed out at Fort Ord three different times and loved it. The first time right out of AIT assigned to the S-4, Svc Btry 2/8th FA (1978-1979). I remember being one of the first to occupy the new artillery barracks. Wall to wall carpet, cable TV, new barracks furniture and a bathroom w/shower in each room. Next as the supply sergeant for A-Btry, HHB, and B-Btry 2/8th FA (1980-1984). Finally as the supply sergeant for the 7th Inf Div Hq, HHC 7thID(L) (1986-1988). I went from PVT all the way to E-7 at Fort Ord. Made quit a few good friends out there both military and civilian. My wife and I were back out there visiting on New Years Eve 2005. The old place didn't look the same. The old HHC 7th ID(L) HQ building was all boarded up along with most of the others on post. We were unable to visit some of the old housing areas. Many of the streets have been changed. Love to hear from anyone that I served with (SGG Calvin Taylor, SFC Daniel Castle, SSG James Moore, 1SG(Ret) Travis Rowell, SFC(Ret.) Keith Hitue, 1SG(Ret) Charles Whitney) or was stationed at Fort Ord around the same time. Ronald Rusk 1SG (Ret), USA

I enjoyed looking at the photos of Fort Ord and the Monterey area. I graduated from Seaside High School in 1973. My father is Maj. Dick Hale and he was Provost Marshal at Fort Ord. I worked in the PX when I was in high school. I lived there for several years and at the age of 51 and after being gone for over 30 years I still get homesick! There is no place like Monterey and I have great memories of the whole area. I sure hope that someday before I die I can make it back there for a visit.

My father was in the army and we were posted at Fr. Ord for two years. It was one of my favorite places to have lived. The one thing that sticks out in my memory are those strange plants that grew everywhere. A neighbor told us once they were called IcePlants. They were some type of cactus or another. We were on Ft. Ord from 83-85. Should any of you remember us, my fathers name was Houston Norris, Jr.

Ft.Ord is some of my best memories. I was there for AIT in the Army from January 1971 to May, 1971; then went to Vietnam. Monterey, Pebble Beach, Hog's Breath Inn, Stillwell Hall, hitchhiking to Los Angeles and San Francisco on the weekends. I would love to visit there again. Wow, Great site! I was a twisted FISTER with HHS 7/15FA from 88 to 92. Had the time of my life. Lots of great memories... Hunter Ligget (Peanut and the Wizard), Camp Roberts...JOTC and Just Cause. "Team Phenomenon" Arch? Hannon? Lumpy? Elliot? You guys out there?? Hey I was in Monterey in 2004 on Business and took an afternoon to visit Ft. Ord. Man what a shame. The place is over grown and while you can still make out insignias painted on buildings is all faded and weather worn. The Divarty area (where I lived) is college dorms painted in faggety colors... Like I said, it's a shame. Cheers! TP IV drop me a line sometime!

Basic (B93 i think) & AIT summer of 1961, june through Sept. I arrived at Warner Kaserne, Munich Germany Oct 1961 until April 1964 (2Bn 21st Inf). At Ord one of our Sgts in basic was a man named Heeg, he was on Pork Chop Hill, Korea. I found him in the index of the book! I drove through Ord on a trip to Monterey about three years ago. I couldn't tell which barracks i was housed in. I hope to go back some day soon. Anyone who was there at that time and would like to correspond, please send me an email. Jim

Light fighter from '83-'86 first Buffalo 3/17 then Manchu 4/9. This is an outstanding site I have frequented for over 5 years now. I wanted to let y'all know that Google Earth had Ft. Ord blurred out until I checked today. You can see the entire fort clearly including ranges, roads, housing, golf courses and even the blank slate where Stillwell Hall used to be. :( I followed Durham Road from the top of the hill all the way to the PX and Gigling Road all the way to the rear of the post where we marched and marched and marched and... To ALL vets out there, KEEP UP THE FIRE!!!

Was in the basic army administration school course from late 1957, then assigned to the school as permanent party...left service and Ft. Ord in June 1959. Great times in Monterey, Pac Grove, Carmel, etc. Believe it was co C then D of 13th battle group..BAAC. Came back several years ago; showed our son the old company, across from the main px and movie and phone headquarters. (Our outfit even shared school space with the cooks at one time)

Was stationed in 85 with 7th IDL activation. I was in a Chemical Company. Had two Son's at Silas B. Hays. Got out in 86 and went to work with a contractor on post. Loved the beach, iceplants and the sound of the breakers that helped me sleep. Husband got orders for Germany and left us in Tucson Arizona. He never came back to get us. Wished I could have afforded to live in CA.

Stumbled across this site by accident while looking for photos of the old Ft. Ord and the warm memories came flowing back... This was my first posting as a young Infantry 2LT fresh out of Ft. Benning...In the three years I spent there from 1973 to 1976, I was assigned to the Training Brigade as the OIC of first the Automatic Fire Range and later the Fire & Movement Range and then helped form up the 7th Infantry Division. Though I later served over 20+ more years at various locations around the world, Monterey and Ft. Ord remain my favorite posting over my entire career. Tons of memories and good times from there... thanks for this site and to those posting here...

I hear they're turning fort ord into high end housing. It's a shame the condition it's been left in. I grew up on base from 85 to about 91. I remember the 2 parks, a coveniance store on top of a hill, and hayes elementary. my dad, james claxton, served on base until his honorable discharge. if anyone remembers us send me an email.

I took Basic Training and A.I.T at Fort Ord beginning 16 July 1975 thru 18 December 1975. After BCT and AIT,I was reassigned to Fort Hunter-Liggett on 19 December 1975 thru 20 May 1979.I retired 31 Jul 02 with 27 years of total military service. Does anyone have a BCT photo during Aug or Sep time frame to contribute to the site? I can't remember what company but the Drill Sergeant name was SSG Turner; we were the "Best Damn Compay on Hill." Tucker,Shelton,Angela,Donak,& Cork are you guys out there? My BTC book and photo got lost. This is a very good site and thanks for the memories. I was very sad when they closed "The Planet." Fort Ord was Our Home-base. Vince Jones

Thank you, Mr. Swann, for all of your work on this site over the years! I've found a couple guys I served with on this site and contacted them. I was with Hard Rock Charlie Company, 4-17 Infantry (Buffalo!) from Dec. '87-Dec. '90. 2nd and HQ platoon. M60 gunner, M203 gunner for the Panama invasion in '89, then 60mm mortar crewman in '90 until my ETS. I stayed in the Reserve/Guard until '99, got out for 6 1/2 years, then reupped in Nov. '05 into the Reserves again as a Civil Affairs NCO. Looks like Iraq in Jan. '07 for me! Do me a favor: never ever forget William Gibbs or Willie Fernandez, two LightFighters who have been killed in action serving our country (Gibbs in Panama in '89, Fernandez in Iraq in '05). Thanks again and keep the memories alive! See you on the LZ someday!! Mike Palmer, Eden Prairie, MN,

I discovered this great site two months ago and already the site is closing. First Fort Ord now this site. Mr Swann is there any way we can save this site? I know everything has a cost attached, but I'm willing to become a Ft. Ord Vet member and pay a yearly fee (\$30,\$40,\$50 or +) to save this site. I venture to say a lot of us ol'Vet will participate to save this site - ARE YOU WITH ME GUYS? LET US ALL SAVE OUR COLLECTIVE MEMORIES. THIS IS A GREAT SITE, LETS SAVE IT! MR SWANN HAS PUT A LOT OF WORK INTO IT. REMEMBER ONE OF OUR MOTTOS - "THE ARMY TAKE CARE OF ITS OWN."

This site is amazing, just like 'Ord. Now, since a few , can we call them insurgents , the enemy, I don't know, but some lousy chumps have done some dirty work here to bring this guestbook to an end. I say, we send all of 'em far away, like maybe, Hanoi Hilton, I know, I know, I'm just ticked. Cruised by Ft. Ord last week and they have leveled 12th. Street down to 8th. street. Sounds like they are putting in a Target Store on that property. Great huh, there's a Target 2 miles south in Seaside. Well, anyway , really have enjoyed everything CR Swan has done. I enjoyed basic here in June 1973 B-4-3, first couple of weeks in the old wooden barracks at 2nd. Ave and 3rd. Street, then up the Hill. Thanks, Drill sergeants SSG Raymon Holguin and SGT Brent E. Daybell (2nd. Platoon). Capt. Thomas J. Sullivan CO , 2lt Roger Carroll EO, 2lt Raymond Celaya TO, 1sg Ulo Eramaa First Sergeant, PSG Phillip Digeorge Senior Drill Sergeant (kicked his size 11 up mine on M16 range one lovely training summer afternoon!!!). Great Memories!!!! PVT Willie Logan and Pvt Glenn young had to "carry" a hamburger & fries around w/them everyday and at the end of the day, they came back to the 'wooden barracks" to give 'it' a burial. This 'burger & fries were purchased at 'bout 0145 when they were 'supposed to be on Guard Duty, whatever happened to that paperbag w/the burger & fries, if Ft. Ord could only talk!?!? Remember the POW's & MIA's. Thanks again Mr. Swan.
